### **RULES FOR THE TROPHY**

This is a perpetual trophy and the winner will be the combination with the most points after the 3 shows. You must take part in at least two of the shows to qualify for the trophy.

A horse or pony may only take points from 2 classes at each show, however you may enter 3 classes (if eligible), but must specify when entering which classes are to count towards the trophy. If you do not specify then we automatically take the first two classes entered.

Points gained are 1st place = 6 points, 2nd = 5 points etc. down to 6th place = 1 point.

### **SHOWJUMPING RULES FOR TWO PHASE COMPETITIONS.**

The competition is run over two phases (sections) – the first phase is the equivalent of the first round and the second phase is the jump off against the clock. Both phases are jumped without interruption, the finish line of the first phase is the start line of the second phase and the first fence in the second phase follows on from the last fence in the first phase.

If you have any faults in the first phase the bell will be rung after you have jumped the final fence in this phase and you will then leave the arena. If you jump clear in the first phase you will immediately start the second phase against the clock.

The result of the competition will be based on the faults and time in the second phase.

### **GENERAL RULES**

1. THE JUDGES DECISION IS FINAL.
2. All riders must wear crash hats.
3. Competitors are asked to be correctly dressed, with shirt, tie, jacket, jodphurs & boots. NO HALF CHAPS.
4. A horse or pony entering as a non-competitor may not compete as a competitor in a later class.
5. All dogs on leads.
6. A horse or pony may enter a maximum of 3 classes in addition to clear round.
